FIRE AT MARTINSVILLE.

Garage Destroyed and Other Buildings Threatened.

(Special to The Times-Dispatch.) Martinsville, Va., August 18.—Fire here last night destroyed H. B. Hundley's garage and storage room on Main Street, and set fire to a row of one-story mercantile buildings nearby, and scorched Hundley's livery stable a few yards off. Mr. Hundley's loss on buildings and contents was about \$4,000, with insurance of \$2,000. The Virginia City Motor Company and J. C. Morrison had a \$1,500 automobile destroyed, but their loss is fully covered by insurance. The stock of Gilbert Bros., clothing, and T. E. Gravely and Co., hardware, was slightly damaged by smoke and water. The fire was caused by holding a match to draw gasoline by, and when the match dropped to the floor, the building was instantly in a blaze. The fire was confined to the garage by the strenuous efforts of the Fire Department.

and Chief of Police F. L. Dovel had a narrow escape. After crossing the railroad track their horse was frightened by the sudden approach of a train. As the horse and buggy pitched headlong into a deep ditch near the road, Mayor Roller jumped and sustained a sprained ankle. Chief Dovel was unhurt. The horse, harness and buggy were extricated not very much worse for the accident.

The Norfolk and Portsmouth batteries will entrain as early as possible and will proceed to Norfolk by way of the Norfolk and Western. By the middle of the day there will not be a scrap of waste material to show where Camp Lindsay Walker stood. And this is the virtue of a modern encampment—that it leaves nothing behind.
